

SWITZERLAND TO AUSTRALIA

In conjunction with our Swiss partner Lamprecht Transport Ltd, an independent, family owned company with headquarters in Basel, we provide tailor made freight forwarding services by air and ocean, offering supply chain management solutions to importers and exporters.

ICE and Lamprecht today, its strong blend of tradition, progress and high flexibility together with the experience of three generations provide a sound basis for continuous, successful growth and stability.

Being medium sized companies we are certain to provide you a more personalised and specific service than what you would expect from our multinational competitors.

Being a key market for ICE, we are able to provide you with estimates or proposal for routine shipments, within 30 minutes of receiving your request.

Give it a try. Call **1300CARGO1**
